

Data & Resource Sharing Survey

Intent of Survey: release survey to coalition membership twice annually in order to update requests for specific data and resources (i.e. training opportunities) available. Requests for data/information (that is available) will ultimately be placed on the One Voice for Volusia website. Data that is requested and currently available through the annual Community Agenda Snapshot report will not be duplicated on the One Voice website since this resource is available in hard copy and online at www.agendavf.org.

Thank you for your time and attention in completing the below survey. Staff will compile your responses and report to the One Voice for Volusia Systems and Data committee for further action.

Agency:	
Name:	
Phone:	Email:
Data	What specific data would be helpful to you and/or that you want, need?
	Does your agency collect and/or track internal data (i.e. number of near-drowning incidences among local children) that you would be willing to share with One Voice on a regular basis (i.e. annual, when available, etc.). If so, please list type(s) of data and frequency data is updated and available.
Trainings/Professional Development:	What training(s) does – or could - your agency offer or make available/open to other agencies in the community?
	Is your agency connected with national resources and/or prevention training seminars that you would be willing to share with others? If so, please list below.

For more information or should you have any questions, please call 386-947-8301 or email Deborah@ovfv.org.
