What did you like best about today? Was there anything you would change/improve?

- Brainstorming legislative priorities for next year
- Sharing a relaxed atmosphere
- It gave participants the opportunity to share what has been successful for them. Strategies and programs that are tried and true. This also allowed for very good networking.
- Name tags
- Very organized, provided interesting subject matter. Great job Carrie!
- Super!
- Wonderful event and enjoyed listening to coalition success stories. The legislative/policy discussion was very helpful.
- Great group of people, extremely passionate about what they do. Thank you!
- The opportunity to network and share ideas. Maybe a larger facility so conversations from other tables do not bleed over.
- Loved the format.
- This should be done more than once a year – great info and network event.
- Everything was great
- Networking with other coalitions. All day long – give us more time.
- Volusia's meeting discussion
- More notice!
- The breakout sessions
